3. Those talents must be encouraged by the institution (especially by Teachers) and provide them the opportunities to develop their personality and praise thier talent along with standing by them to follow thier passion in life and not demotivate them (as every student has it's own inner talent which must be encouraged, motivated and respected)

Thank you.

All are good, need some governmental cooperation, and regular facaulty

The academic calendar should be accurate and the Examination schedule should be available so that students can have a clear schedule.
